NOTE: Extra charges will apply for imprint designs using more than one color, and there are practical restrictions to the application of two or more colors. Please get artwork approved before submitting.

\* RECOMMENDED FOR WHITE OR LIGHT SHELLS ONLY.

\*\* THE USE OF BLACK AND DARKER COLORS ON DARK COLOR SHELLS IS DISCOURAGED.

All colors may appear different on any color of shell other than white because of ink translucency. The Metallics and White work best on Black and darker colors of shells.

For an additional charge, colors not in stock may be ordered using the Pantone Matching System.
